

REOPENING OF OUR CHURCH

The First Minister, Nicola Sturgeon, has announced that we have now entered the 2nd phase of our exit from lockdown. During this period, all places of worship are allowed to open for private prayer. There is a short video on our website and Facebook page which gives the directions to be followed when you visit St Athanasius'. To enhance safety and health security, only the front part of the church, the Gathering Area, is open for visits. Please take a few minutes to view the video and also to read the notices when making a visit. Also please spread the word that the church will be open from 8am-8pm every day.

So when paying a visit for private prayer:

- Sanitize your hands upon entering
- Choose any seat whilst maintaining social distancing
- When you have finished, sanitize your hands
- Take the large bottle of sanitizer and spray all over the seat you have used. There is no need to wipe it.
- Sanitize your hands again before leaving

Please try your best not to touch any surface other than the chair you are using. Also note that the toilet is not available for use. Remember the church is open from 8am-8pm except the weekend when it will close at 1pm on Friday and remain closed until 9am on Sunday.
