

## UPDATED GUIDELINES FOR BOOKING MASS

The Church now has a capacity of 63 for each Mass and Service.

This is the total capacity and there is no room for flexibility.

Please make sure you book your seat online or by telephone. Remember if you don't do this and turn up, you will be asked to wait until everyone booked has arrived and finally may not be admitted if all seats are taken.

Booking is especially important for weekends. It is also important for Monday to Friday. This avoids queues and makes things safer.

Even though restrictions are being lifted, booking and social distancing will remain in place for some time.

Thank you all for your co-operation during the past year which has ensured the church has remained Covid-free. Let's continue being safe until we're through this.
